

PRINCIPALS

AC Data Systems

Products: Surge Suppression devices

AD Technologies (Arnco Corporation, Duraline)

Products: Conduit for Power, Telecom, CATV and Water applications. Cable pulling lubricants, cable cleaners and duct sealers

National Strand Products

Products: Strand Guy Wire Galvanized

Century Wire

Products: Lashing Wire in Stainless Steel

Chemque, Inc.

Products: Encapsulants, filling compounds, duct sealers and accessories

Coastal Line Products, Inc.

Products: Galvanized and S.S. Pole Line Hardware

Exfo Electro Optical Engineering

Products: Test Equipment for F.O. Networks including OTDR's, power meters, light sources, visual fault locators, Remote Fiber Test Systems, Optical Spectrum Analyzers, WDM Meters

Fiber Instrument Sales

Products: Consumables for fiber optic, patch cables, connectors,

Oldcastle Precast Enclosure Solutions (Carson Industries, Christy, Synertech)

Products: Grade- Level Enclosures in HDPE and Polyconcrete, telephone ducts and rail ducts

Panasonic Computer Solutions Co.

Products: Laptops and rugged computers for the outside world

EOA Telecom Group, Inc.

PMB 173

405 Ave. Esmeralda Ste. 2

Guaynabo, PR 00969-4457

Tel: (787)703-0760 FAX: (509)267-5112

Pentras

Products: Air Dryers and spare parts for gas pressure equipment compatible with ADK, Puregas air dryers.

Radiodetection (Dielectric, Riserbond)

Products: Cable and Pipe locators and monitoring equipment for O.P., metal locators. TDR's for cable fault location. Products for pressurized plant

RKI Instruments, Inc.

Products: Gas monitors for confined spaces.

RMS Communications, Inc.

Products: (RMS) Outdoor Taps and Line Passives, Distribution Splitters, Line Equalizers, Power Inserters & Directional Couplers for CATV networks. Hosing types: Magnavox, Scientific Atlanta and Regal

Sumitomo Electric Lightwave

Products: Fiber Optic cables for outside plant, fiber optic cleavers and strippers, fusion splicer units,

Tech Products, Inc.

Products: Identification Tag Systems, Accident Prevention Signs & Nameplates for Industry

Tempo

Products: Test sets for copper and coax networks, Butt Test Sets, Tone Tracers

Tyco Electronics

Products: Copper & Fiber Optics Splice Enclosures, Building Entrance Terminals, NID's, Cross Connect Boxes, Termination Blocks,

Pendulum Instruments

Products: Microwave Antenna Path-alignment Test Sets

EOA Telecom Group, Inc.

PMB 173

405 Ave. Esmeralda Ste. 2

Guaynabo, PR 00969-4457

Tel: (787)703-0760 FAX: (509)267-5112

PRODUCTS LIST
EOA TELECOM GROUP, INC.

ADSL2, 2+,VDSL2 Test Sets
ADSL2+ USB Modems
Antennas (Celullar, GPS, Wi-Fi)
Air Dryers
Butt Test Sets
Cable Caps
Cable Cleaners
Cable Locators
Cable Lubricants
Cable Tags and Signs
Cable Markers
Compounds for splice encapsulation (Reentrable and non-reentrable)
Computers (Panasonic Laptops)
Connectors for Copper Cable
Duct Rodders
Duct Sealers
Ethernet Test Sets
Fiber Optic Cable for external plant
Fiber Optic Jumpers
Fiber Optic Connectors ST,FC,SC,LC
Fiber Optic Tools-Stippers & High Precision Cleavers
Fiber Identifiers
Flow Transducers
Fiber Optic Patchcords & Pigtailes
Fiber Optic Patch Panles
Fiber Optic Mechanical Splicing Kits
Fusion Splicing Sleeves
Fusion Splicing Units
Gas Monitors
Graded Level Enclosures-"Handhole Boxes"
Ground Rods
HDPE Conduit
Lashing Wire
Light Sources in Laser/LED
Loss Test Sets
Microwave Test Sets
Microwave Antenna Path-alingment Test Set
Non Reentrable compounds for pressure plugging
Notebook computers (Toughbook)
OTDR's

EOA Telecom Group, Inc.

PMB 173

405 Ave. Esmeralda Ste. 2

Guaynabo, PR 00969-4457

Tel: (787)703-0760 FAX: (509)267-5112

Pole Line Hardware Stainless Steel & Galvanized
Power Meters
Pressure Pipes
Pressure Plugs
Protocols Analyzers Sonet/SDH
Spare parts for Gas Pressure Equipment
Strand Messenger Cable Galvanized & Stainless Steel
Surface Markers for Underground Cable
Surge Suppressors
Taps for Cable TV
TDR's (Time Domain Reflectometers)
Test Equipment for Copper cables
Toughbook Computers
Transducers
Visual Fault Locators

Rev 03/08
